

THE GLOBAL FLOOR SAFETY NETWORK (“GFSN”)

GFSN IS SEEKING LICENSED CONTRACTORS IN THE UNITED STATES, CANADA, AND MEXICO:

The Global Floor Safety Network considers itself to be the world’s foremost leaders in Anti-Slip Floor Care Safety and is offering the best and most cost effective non slip cleaning system out there, and is seeking purchasers to obtain the exclusive Licensing Rights of its GFSN Business as described herein.

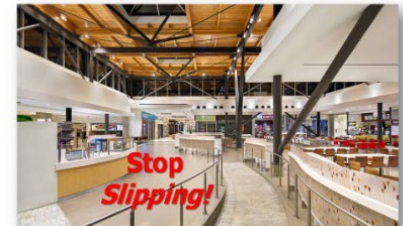

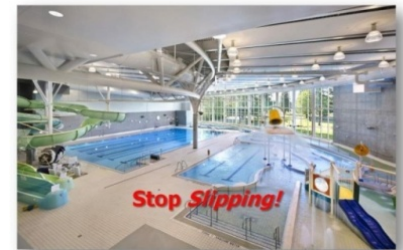

Floor care safety is a multi-billion dollar industry and slip and fall accidents are the #1 cause of injury, at home, and in the workplace.

THE GFSN BUSINESS LICENSE:

The purchase of a GFSN Business license will include a GFSN Master Package, as described below, the licensing rights of Global’s IP, with the rights to sell, promote, and apply our floor care safety products and services exclusively within the area of purchase, and as a Licensed Contractor, the licensee will be recognized as the GFSN Master Contractor for their area.

COSTS OF A GFSN BUSINESS LICENSE:

1. Area 1 Cost is \$25,000.00 – Return on Investment: *\$156,250.00
 2. Area 2 Cost is \$50,000.00 – Return on Investment: *\$312,500.00
 3. Area 3 Cost is \$75,000.00 – Return on Investment: *\$468,750.00
- The above cost of each GFSN Business license is based on the population of the Area of purchase.
 - Included with the purchase of your GFSN Business License is our turn-key GFSN Master Package, which comes with full value of start-up products, equipment, and various promotional materials.
 - *Return on Investments are estimates only and are based on the amount of Safe Solution® product provided in each Master Package, and are calculated on an average MSRP per square foot cost for Safe Solution® anti-slip applications.
